do I Need to formr a Company?

An available Company Name

A

Registered Office Address

Information

on directors and shareholders(including full names, date of birth, birth place and residential address)

Is your
company
name available?

If you want to start a company the easy way without all the complex issues of company incorporation then this service is for you.

You will be able to complete a simple order form either online, print and fax or email and we do the rest. The process can literally take as little as a couple minutes of your time. It really is that easy.

And if you do have any questions about registering your Australian company that you can't find the answer to in the FAQ section then pick up the phone and call 1300 658 934 and we can walk you through the process.
